

Veronicastrum virginicum

Culver's Root

An imposing presence, with elegant spikes of white flowers all summer long. Adaptable as to soil; sun or part-shade. Creates an effective background when planted behind shorter species

Suggested companions: blazing star (*Liatris spicata*), Joe Pye weed (*Eupatorium maculatum*), boneset (*Eupatorium perfoliatum*), tall sunflower (*Helianthus giganteus*), blue vervain (*Verbena hastata*).
